Ingredients: Aqua, Sodium Laureth Sulfate, Coco Glucoside, Cocamidopropylbetaine, PEG-7-Glyceryl Cocoate, PEG-200 Hydrogenated Glyceryl Palmate, Buxus Chienensis, PEG-40 Hydrogenated Castor Oil, Anthemis Nobilis; Aloe Barbadensis, Parfum, Phenoxyethanol, Methyldibromo Glutarnoitrile.

3. HAZARDS IDENTIFICATION:

Not known

4. FIRST AID MEASURES:

Inhalation: Not relevant

Eye contact: Wash with plenty of water

Skin contact: Not relevant

Ingestion: Get medical attention

5. FIRE FIGHTING MEASURES:

Appropriate extinguishing media: Water, Foam, dry powder, CO_2

Not appropriate extinguishing media: None

6. ACCIDENTAL RELEASE MEASURES:

Person related preventive measures: No remarks

Measures of environmental protection: Do not let this chemical enter the collecting system

Proceedings by cleaning: Absorb mechanically and dispose in the household waste

7. HANDLING AND STORAGE:

HANDLING:
Usage precaution: By reasonable use no special measures are required

Instructions concerning fire- and explosion protection: No remarks

STORAGE:
Keep only in original container. Keep away from direct sunlight. Do no store by temperature above 30 ºC

8. EXPOSURE CONTROLS AND PERSONAL PROTECTION:

Technical protection measures: No remarks
Personal protection measures: No remarks
Data concerning occupational hygiene: No remarks

9. PHYSICAL AND CHEMICAL PROPERTIES:

Appearance

Form: Viscose soap
Colour: Clear / light yellow
Odour: Cosmetically pleasant

Safety relevant data

Congelation area : $\geq$ 45 ºC
Boiling point : App. 100ºC
Flash point : No remarks Methode: DIN 51755
Steam pressure at 20 ºC: No remarks
Density at 20 ºC : App. 1.0190 - 1.025 g/cm3
Solubility in water : Soluble in water
Viscosity at 20ºC : 8 - 12 d. Pas Methode: Haake
pH value : App. 3.5 at 20 ºC

Lower explosion limit : --
Upper explosion limit : --

Other indications : -

10. STABILITY AND REACTIVITY:

Dangerous reactions: No dangerous reactions known

11. TOXICOLOGICAL INFORMATION:

Acute oral toxicity/LD 50
LD 50 > 5000 mg / Kg (Rat)
The classification has been worked out after the calculation procedure. The product has not been tested. The statement has been concluded from the characteristics of the single components.
The product is not toxic or unhealthy

12. ECOLOGICAL INFORMATION:

The product is very easy biologically decomposable.

13. DISPOSAL CONSIDERATIONS:

Disposal of waste/product: No remarks

Disposal/not clean packages
Not contaminated packages can be used in recycling
Clean packages can be used for recycling

57127 plastic material / packages with residuals

14. TRANSPORT INFORMATION:

Road Transport:
ADR/RID
GGVS/GGVE:
Hazard No.:
UN No.:

Sea transport:
IMDG / GGVSee-Code:
EMS-No.:
MFAG:
Marine pollutant: -
IMDG-PACK.GROUP: UN No.:

No dangerous goods according to ADR

15. REGULATORY INFORMATION:

Identification:
No specifications for the identification marking according to EC guidelines

R-sentences: ---

S-sentences: ---

Failure ordinance appendix II: No remarks

Not placed under the regulation for flammable fluids
Pollution danger for water: 1 (Selfgrading)

16. OTHER INFORMATION:

The cosmetic preparations are, according to EC guidelines, made only with allowed raw material components.

The information is based upon the present state.
They do not show any assertion of product qualities and they do not state any compatible legal matters.

This safety data sheet is prepared in accordance with Regulation (EC) No 1907/2006.
