COMPOSITION	APPLICATION	WEIGHT	WIDTH	ABRASION	LIGHT FASTNESS	COLOUR FASTNESS	REPEAT	WATERPROOF	FLAMMABILITY RATINGS							
	Contract & Heavy Domestic Upholstery							Hydrostatic head >1 metre	BS7176: Medium Hazard	BS5852 Part 2 Ignition Source 5	EN 1021-1/2	M1 France	B1 Germany	NFPA 260 USA	CAL TB 116 & 117	Marine Standard IMO A.652 (16)
Coating: PVC/PU/ Acrylic Basecloth: Cotton/ Polyester	•	760g/m² +/-5%	Approx 137cms (54")	350,000 Martindale Rubs 100,000 Wyzenbeek D.R	Grade 4-5	Wet>4 Dry>4	Nil	•	•	•	•			•		

ADDITIONAL	High scratch resistance - Colour solid to the basecloth. Anti-Microbial and Anti-Fungal Protection. Tested to AATCC147 Cadet is effective against a broad spectrum of bacteria and fungi including: Bacillus cereus Bacillus mycoides Enterococcus faecalis Proteus vulgaris Salmonella typhimurium Staphylococcus aureus C-Diff spore Bacillus subtilis Escherichia coli Klebsiella pneumoniae Pseudomonas aeruginosa Salmonella choleraesuis MRSA
RECOMMENDED CLEANING	• Wipe clean regularly with a damp microfibre cloth and water to remove dust particles and prevent build up of soiling. • Remove spillages promptly with an absorbent dry cloth. • For general soiling, use a microfibre cloth taking care to avoid abrasive damage to surface and use tepid soapy water(non alkaline). Rinse clean with water and dry with an absorbent cloth. • Bodily fluids should be removed promptly (within 15 mins) with cold water and then cleaned as above. • Extreme soiling/infection control purposes use a 5% Sodium Hyperchlorite (bleach) solution, Haz tabs or Chlor Clean. • Steam cleaning is an effective sanitizer (as are Haz Tabs and Chlor-clean) but is not a good cleaner. Cleaning with a microfibre cloth and water is more effective. Steam and heat from steam cleaners actually seal in oily residues from bodily fluids, etc. If steam cleaning is essential, use infrequently for emergency infection control purposes only and in accordance with the machine manufacturer's recommendations. As we are unable to comment on the variety of machines in the marketplace or on the operator's handling, care should be taken for the sake of both the upholstery fabric and the wooden frame and we are unable to guarantee these. • Avoid the use of furniture polish, stain remover or solvents. • Remove indigo dye from denim and canvas garments immediately as they will produce permanent staining if not dealt with promptly. • Do not use a felt tip, ball-point pen or ink to mark.
CONTINUITY	Although every effort is made to ensure that fabrics ordered match the colours in this pattern card, slight variations may occur from batch to batch.
